Northrise is a leading Christ-centered university in Zambia offering undergraduate and postgraduate programs in Business, ICT, Law, Health, and Theology.

A commitment to academic excellence and spiritual vitality fostered by a dedicated team of faculty and staff has been a tradition of Northrise since its founding in 2004.

The university provides an academic foundation that inspires you to develop a higher level of professional excellence to achieve your career goals. With a Northrise University education,
YOUR FUTURE IS BRIGHT!

Whether you enroll in a campus-based or Distance e-Learning program, you'll be part of an innovative academic atmosphere.

AS A NORTHRISE UNIVERSITY STUDENT, YOU'LL EXPERIENCE:

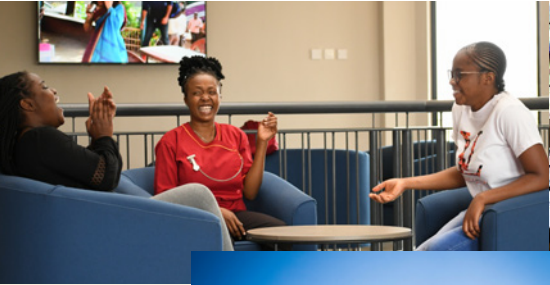

- Interaction between students and faculty
- Personalized attention from instructors
- An accommodating course schedule
- A collaborative, professional environment
- Networking opportunities with industry professionals

Your educational experience will be focused, challenging and relevant. Faculty members hold advanced degrees and combine theoretical insight with industry application in their lectures. Our curriculum is regularly updated to stay in sync with industry trends and to better prepare you for your chosen career.

All our students are privileged to work in learning teams alongside other students with rich and varied backgrounds, some of whom are working professionals. You'll interact with your peers throughout your course – sharing ideas, debating issues and learning from their experience in the real world.

In addition to peer interactions, the Student Life Department composed of staff who are dedicated to promote transformative learning experiences for all students, will provide guidance and valuable feedback as you progress. Learn more about the Student Life Department which is a pivotal support center for all student affairs.
