Introduction

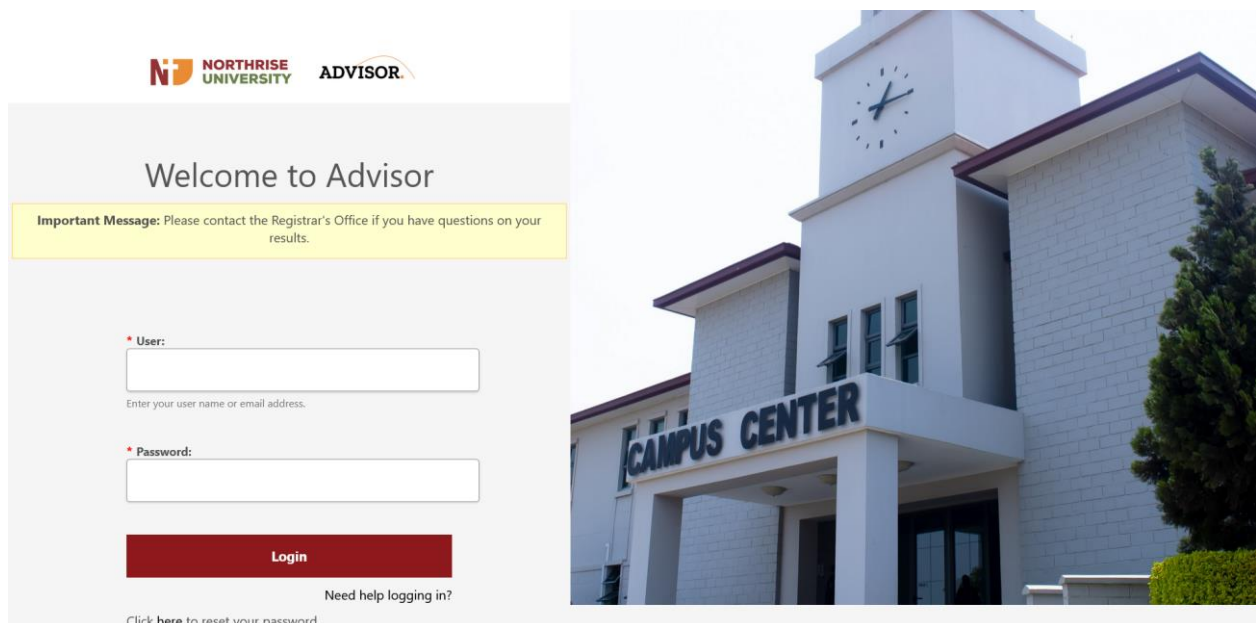

This manual is intended to help all Northrise University students on how to navigate Advisor, the application for communicating students results. Students are advised to read through the manual to be familiar with how to check their results.

a. Access Requirements

Student results on the Advisor may be viewed within the NU local network as well as remotely over the Internet. Look out for communication from the Registrar's Office regarding the links to access the Advisor.

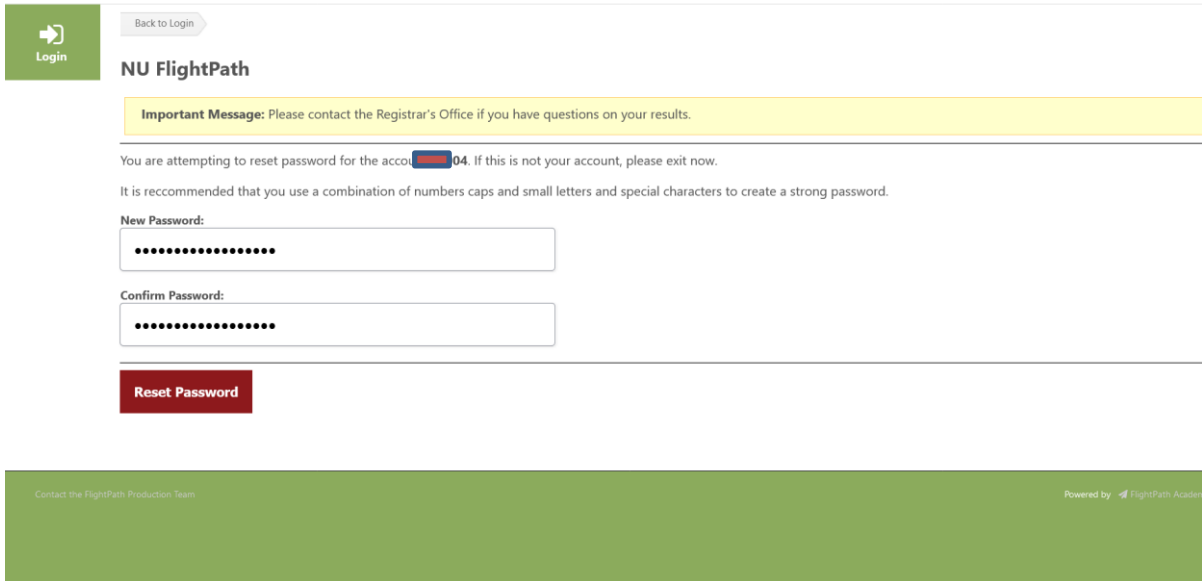

b. Login Page

- a) **Once the access link has been provided to you: Enter your User ID and your Password** on the screen below. Please note that it is **NOT** your VLS, SMS or Google Classroom password.

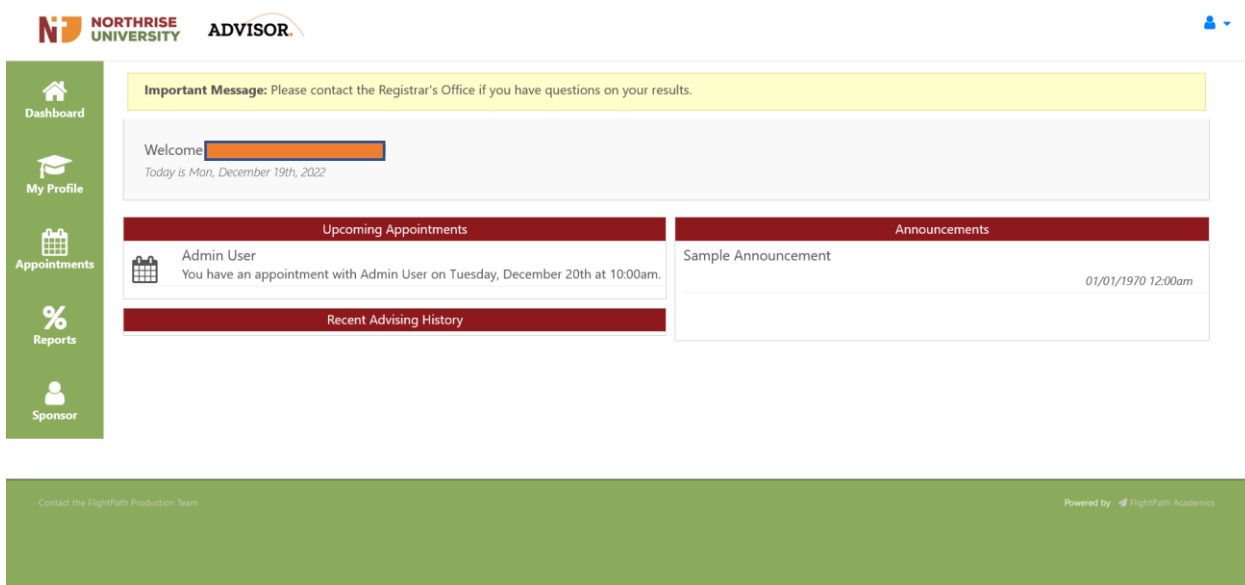

c. Reset Password

- b) Once you login with your default password, you will be prompted to create your own password as shown in the screen below. **DO NOT** share the password with anyone.

d. Dashboard

- c) Apart from changing your password at the login screen, you can reset it by clicking on the **Change Password link** located at the upper right position of the screen once you are logged in
- d) The **Dashboard tab** is the landing page of the system where you see three sections, namely, The **upcoming Appointments** , **Announcements**, and **Percent Advising History** as shown below:

e. My Profile Tab

III. In the regions below, **Y1S1** indicates details of courses taken in **Year 1, Semester 1**, **Y1S2** indicates details of courses taken in **Year 1, Semester 2**, and so on. The details include the Course Code (**Course**), the Hours (**Hrs**) – this represents the Course Credits that are allocated to the Course, the Grade (**Grd**), and the Points (**Pts**), which are the points awarded according to the **GPA Scale** used at

Northrise University. For example, the interpretation of the details on the first line under **Y1S2** is that in **Year 1 of Semester 2**, this student took **ACC101** where they earned **3 Credits**, earned a **Grade of B**, which is worth 9 Points on the **4.33 GPA Scale**.

- IV. Courses in blue indicate courses completed, Courses in green indicate courses enrolled or registered, Courses in black shows courses that are not completed and courses in red shows courses that have unsatisfactory grades or withdrawn from. Course in black with a lock shows courses that have prerequisites.

5. What If

- This tab can be used when you wish to check what your progress would be if you applied the courses that you have already passed to another Program. For example, if you are a BBA student you can apply the grades of courses that apply to the BFA program and see what your progress would be. This analysis would be helpful if, for whatever reason, you needed to change your current Program without starting from scratch.

The screenshot displays the 'Advisor' web application interface. At the top left, the 'NORTHRISE UNIVERSITY' logo and 'ADVISOR' text are visible. A navigation sidebar on the left includes icons for Dashboard, My Profile, Appointments, Reports, and Sponsor. The main content area has tabs for Student Profile, Degree, Comments, History, and 'What If?'. The 'What If?' tab is active, showing a student's profile information: Degree (blank), Classification: LV4, Catalog Year: 2016-2017, and Cumulative: 112 hrs / 2.990 GPA. Below this is an 'Important Message' box and a red banner that reads 'What if I change my degree to...'. A prompt asks the user to 'Please select from the 2022-2023 catalog year:'. There are two sections for selection: 'Select Major »' and 'Select Minor »', each containing a list of degree programs with checkboxes. A 'Try It Out!' button is located at the bottom right of the selection area. The footer contains contact information for the RightPath Production Team and is powered by RightPath Academics.
